

Ripple — Flexible by Nature

Discover the ultimate reusable water bottle designed to adapt to your lifestyle.

Why Ripple?

- **Flexible Design**

Ripple's accordion-style, natural rubber outer layer lets you press and fold your bottle, saving space without sacrificing capacity.

- **Safe & Secure**

Multi-layer construction featuring:

- **Outer Layer:** Flexible rubber for grip, durability, and impact resistance.
- **Middle Layer:** Insulation to keep your drink at the perfect temperature.
- **Inner Layer:** Food-safe lining that protects your beverage's purity.

- **Compact & Portable**

Easily fold Ripple to a fraction of its size, ideal for travel, gym, or daily carry.

- **Eco-Friendly & Reusable**

Made with sustainable materials to reduce single-use plastic waste. Carry Ripple, care for the planet.

How it Works

Full → Press → Fold

Expand when you need it, compress when you don't.

Perfect For

- Outdoor enthusiasts
 - Busy commuters
 - Eco-conscious individuals
 - Anyone who values convenience and sustainability
